

**Andrea Cudzilo:**  
**First Grade Teacher**

My name is Andrea Cudzilo, and I am excited to be the new first grade teacher at Destiny. I am glad to welcome you and your child to my classroom this year. I would like to tell you a little bit about myself.

I have received a studio art degree from SUNY Brockport. I also have a master's degree in childhood and early childhood education as well as a master's degree in special education from St. John Fisher. I have taught third grade for two years in the Rochester City School District and look forward to teaching at here at Destiny. I have attended Faith Temple for many years and have been involved in the youth ministry as well as the children's ministry.

I am looking forward to meet as well as get to know every student in my class and their parent too. This year will be a fun and challenging year for your children. I hope to make this year an educational and fun-filled year. I look forward to working with you as together we help your child to succeed. If you would like to contact me or set up an appointment to meet and discuss your child's performance or any other concerns, you can email me at [acudzilo@faithtemple.net](mailto:acudzilo@faithtemple.net) .

Again, I am excited and looking forward to the new school year!

Sincerely,  
Andrea Cudzilo
