Math & Industrial Arts Teacher
Grades 6,7,8 &9

Randy Brisbane is a graduate of SUNY Brockport. In 1982 he completed his Bachelors degree in mathematics. He also completed his certification for teaching middle school and high school mathematics.

From graduation till 1987 he taught for Faith Temple School. Since his years teaching at Faith Temple he has taught catechism for the church, tutored many students in math and worked very closely with young people on church dramas and projects.

Mr. Brisbane believes that all people are loved by God. God's plan and purpose can only be found by yielding to the Holy Spirit and preparing for it. When yielded, God will direct each individual to a unique and fulfilling destiny. This ongoing submission to God will open doors of opportunity that apart from Him cannot even be imagined. As our students prepare for God's plan for their life, they draw near to His Heart and learn His voice.

"Spectacular achievement is always preceded by spectacular preparation."
Robert Schuler

"If you're not practicing, somebody else is, somewhere, and he'll be ready to take your job."
Brooks Robinson

Be ready when opportunity comes...Luck is the time when preparation and opportunity meet.
